

Arlington and Columbia Pike Farmers' Markets

Spice up your world with locally grown vegetables and herbs

New produce this summer!

Find vegetables and herbs traditionally grown around other parts of the world.

- **Tomatillos**, used in salsas
- **Amaranth**, widely cultivated in West Africa for its edible greens
- **Okra**, used to thicken soups and stews or as an addition to stir fries
- **Daikon Radishes**, a large white variety often used in Indian and Japanese dishes
- **Bitter Melons**, resembles squash and is used in Chinese-style soups
- **Herbs** — such as **Lemongrass**, **Cilantro**, and **Epazote**
